

Reports on Previous Events

June Floop Clean-up - a good turnout meant we got a lot done : Shillingford Rd to Alston Rd (i.e. Gorton Allotments). 17 bags of the nasty stuff were removed. Looks good once again.

June Yellow Brick Road (Old Stockport Canal) Clean-up - another good turnout. We did the central section of the route : Longford St to beyond Ashton Old Rd concentrating on tidying up the entrance at Ogden Lane bridge where the vegetation was recently drastically cut-back. No shortage of litter - 18 bags left for the Council to collect. Greenfingers continue to do a good job for the Council in managing the verges and tackling overgrown vegetation on the YBR. After the main event, I couldn't resist tackling the alleyway at the Longford St/Western St entrance which is probably the most littered spot I know. Those of you who attended the November clean-up will remember how we removed 35 bags of litter from 30m of alley way/bushes at this entrance. This time I only got 2 bags out plus I reported a fly-tipped mattress to the Council via their web site. It was removed within 3 days. We are winning !

As usual, many thanks to all those who volunteered last month.
