

Reports on Previous Events

May Clean-up (YBR not Floop this month) - Chris Parkinson did another great job for the May litter pick despite bad weather leading up to the event. This no doubt put people off and on the day, just three volunteers in all showed up and they worked way past the normal finishing time and removed 30 bags of litter in all! What a tremendous achievement which meant that the path was cleaned from Sexa St south to a point where the path had recently been done.

May Yellow Brick Road (Old Stockport Canal) Clean-up - Roger Bravey from The Manchester & Stockport Canal Society led a group of nine volunteers who worked northwards from Sexa St right up to the canal. They removed 15 bags of litter which was a good achievement as the littering appeared to be relatively light.
